EMERGENCY FUND

By Section 6 of Chapter 509 of the Acts of 1905 the General Assembly set aside \$75,000.00 at 4% interest to be held by the Treasurer as a pure insurance fund, and authorized its expenditure only for repairing damage done to any of the institutions of the State by fire, cyclone or similar hazard.

The correct statement of this account is as follows:

Amount on hand June 30, 1924 -----	\$115,235.50
Amount on hand June 30, 1926 -----	124,661.09
Interest collected from July 1, 1924 to July 1, 1926 -----	9,425.59

UNCLAIMED ASSETS

The Treasurer has now on deposit in the Nashville Trust Company unclaimed assets of the estate of John Pierson, deceased, from Hamilton County, amounting to \$4,872.42.

The Treasurer has also on deposit in the savings department of the Nashville Trust Company unclaimed assets of the estate of Sam A. Kirk, deceased, also of Hamilton County, amounting to \$2,301.46.

These sums were paid to and are now held by the Treasurer under the authority of Sections 4015-4016 of Shannon's Tennessee Code.

STATE DEPOSITORIES

Chapter 43 of the Public Acts of 1913 requires the Treasurer to deposit all public funds in his hands in Tennessee banks which file with the Treasurer a bond conditioned as required by said statute. I have endeavored to comply with the spirit of this law in the distribution of the Treasury funds among said depositories.

The Treasurer has received as interest on the General Fund of the State from July 1, 1924, to, June 30, 1926, inclusive, \$279,339.08.

During this biennial period the following State Depositories were closed and wound up by the Tennessee Superintendent of Banks:

Peoples Bank and Trust Co., Bell Buckle, Tenn.
Bank of Buffalo Valley, Buffalo Valley, Tenn.
Bank of Cedar Hill, Cedar Hill, Tenn.
Peoples Savings Bank, Jackson, Tenn.
Planters Bank and Trust Co., Lebanon, Tenn.
Commercial Bank and Trust Co., Memphis, Tenn.
Citizens Bank, Lexington, Tenn.
Bank of Statesville, Statesville, Tenn.
Peoples Bank, Springfield, Tenn.
Peoples Bank and Trust Co., Smithville, Tenn.

The following national bank in which State funds were deposited also suspended payment:
Citizens National Bank, Centerville, Tenn.

Under a decision of the Supreme Court in the case of the Maryland Casualty Company vs. McConnell, 148, Tenn. 656, state funds on deposit in state banks are a prior claim on the assets of such insolvent state banks, and all funds in such banks have been accordingly repaid except those in the Bank of Cedar Hill, Cedar Hill, Tennessee, and the Peoples Bank and Trust Company, Smithville, Tennessee, which are still in process of liquidation.

The National Comptroller of the Currency does not allow a state preference in administrating the affairs of an insolvent national bank, but state funds in the above mentioned national bank which closed its doors were nevertheless repaid either out of the assets of the bank or by the sureties on its bond given to this office.

There remain in the hands of the Treasurer the following special funds:

Victory Memorial Fund	\$ 56,355.73
Hospital Bond Fund	40,151.36
Capitol Improvement Bond Fund	899.26

FUNDED DEBT OF TENNESSEE

UNFUNDED INDEBTEDNESS

There are still outstanding unfunded bonds amounting to \$335,666.22, which are held by the United States Government pending a settlement of claims which the Federal Government has against the State of Tennessee, but which the State of Tennessee contends will be more than offset by claims which the State has against the Government.

In addition to the indebtedness just above specified, there are four hundred \$1,000.00 bonds of the State deposited in the Fourth and First National Bank of Nashville, Tennessee. These bonds are payable to the Louisville and Nashville Railroad Company. The Memphis, Clarksville and Louisville Railroad was sold under a foreclosure of mortgage and was bought by the Louisville and Nashville Railroad. The \$400,000.00 in bonds represents the last payment of said railroad on the purchase of the Memphis, Clarksville and Louisville Railroad. The final disposition of these bonds likewise awaits a settlement of mutual claims held by the United States Government and the State of Tennessee each against the other, and are to be withdrawn only on a joint order of the commissioners having in charge the settlement of the disputed questions and said railroad company. The bonds are to be held by the bank until these questions are adjusted.

I have gone over the status of this controversy with the Hon. John J. Vertrees, one of the Tennessee Commissioners, and have ascertained from him that there is no immediate prospect of a final adjustment of either of these disputed claims.

CONCLUSION

Detailed schedules of the receipts and disbursements of the State Treasury by months and also by years appear hereafter. An examination of these tables will give a clear idea of the sources of the revenues of the State and purposes for which it is disbursed.

Respectfully submitted,

HILL McALISTER, State Treasurer.
